**INFORMATION DISCLOSURE STATEMENT**

Sir:

This Information Disclosure Statement comprises a list of pertinent art of which Applicants are aware. Enclosed herewith is a copy of Form PTO-1449, *Information Disclosure Statement by Applicant*, which was submitted in parent Application Serial No. 10/195,245 on July 15, 2002 and PTO-892, *Notice of References Cited*, submitted by the Examiner in said parent application.

The submission of this Information Disclosure Statement and Form PTO-1449 is not an admission that the art cited is "prior" with respect to the present invention, nor is it a representation that no better art exists. Applicants hereby reserve the right to swear behind or otherwise disprove any alleged "prior" nature of any art cited should the facts support and the situation warrant such an action. It is submitted that the art cited does not constitute a bar to the patentability of Applicants' invention under 35 U.S.C. § 102 or § 103.

Pursuant to 37 C.F.R. § 1.98 (d), copies of any patent, publication, pending U.S. application or other information, as specified in 37 C.F.R. § 1.98 (a), listed in the attached

information disclosure statement and Form PTO-1449 are not provided herewith, as they have been previously submitted to, or cited by, the Office in earlier U.S. Patent Application No. 10/195,245. The present application claims the benefit of the effective filing date of that earlier application. The Information Disclosure Statement filed in that earlier application complies with 37 C.F.R. § 1.98 (a)-(c).

Respectfully submitted,

Date: 6-30-03
